

Questions without Notice

Name: Hon Ruth Forrest MLC

Questions:

With regard to COVID positive cases reported since 19 April 2020:

- 1 How many of these cases in total have there been from 19 April to date;
- 2 How many of these cases were self-isolating or in quarantine prior to being tested;
- 3 How many were picked up through contact tracing;
- 4 How many NW cases were unaware of a link to the NWRH when contacted for testing; and
- 5 How many, if any, remain unexplained as to the source of the infection?

Answered by: Hon Leonie Hiscutt MLC
Leader of Government

Answers:

As at 25 May 2020:

- 1 There have been 35 positive COVID-19 cases with notifications dates on or after 19 April 2020.
- 2 25
- 3 19
- 4 This information is not specifically collected and cannot be reported.
- 5 There is one (1) case whose exposure has not yet been able to be determined.

Sarah Courtney MP
Minister for Health
